Medication Information

Please **NEVER** give your child
medication to take at school
without our prior knowledge of
medication being brought on
campus. This goes for vitamins,
essential oils, cough drops, etc.

Please see Ms. Renee to obtain a
Medication Authorization Form for
your son/daughter pediatrician to
complete. This goes for inhalers,
essential oils, epi-pens, pills, etc.

Ms. Renee and the School Nurse
will work to create an action plan
for all medications.

Parents and Guardians - Please be sure to read our Pick-up/Drop-off PARKING Letter in the Orientation Guidebook. We want to ensure a safe arrival and dismissal from our student center.

Going forward, if you are picking up your child through the car line, you will **NOT** be allowed to exit your vehicle. Your child must be able to get in and out of the car with ease and safety of our staff members assisting your son/daughter.

If you wish to exit your vehicle and assist your child, you must use **MERRILL STREET** to do so. Our enrollment is almost at capacity so we ask that you follow our guidelines for a Safe, Respectful, and Responsible parking lot.

Please refrain from using cellphones while in your car. If you are on your mobile device while driving your vehicle, it could result in injuring a staff member, a student or yourself. Please follow all California laws while operating your vehicle on a school campus. If you have a teenage driver, remind them they should not be on their devices while picking up their sibling.

Thank you for working together to keep our student center **SAFE!**

Principal - Mrs. Hansen
Site Facilitator - Ms. Renee
Admin Designee - Mrs. Shafor
