Turn on the Light

We wake up and smell the coffee. We face the data, good or bad. We are smart and agile to make necessary changes to improve our school. We are reflective and expect our students to be as well.

**Attributes:

Medication Information

Please **NEVER** give your child medication to take at school without our prior knowledge of medication being brought on campus. This goes for vitamins, essential oils, cough drops, etc.

Please see Ms. Renee to obtain a Medication Authorization Form for your son/daughter pediatrician to complete. This goes for inhalers, essential oils, epi-pens, pills, etc.

Ms. Renee and the School Nurse will work to create an action plan for all medications.
