Changes...

Dear FAPA Families:
October marks the beginning of new administration on campus. I have met many of you during Back-to-School night and I hope to meet the rest of you soon. I look forward to keeping the school's identity and increasing academic success for all students. In order to do so, change is inevitable.
Beverly Voechting—Principal

CAASPP Results

If your student was in 7th/8th/10th or 11th grade last year, then you so have received your child's CAASPP Score report or other state testing results. If you need assistance in reading or understanding the report, click on this link to watch a video: https://www.youtube.com/watch?v=FQi4qlOCrmk

Cell Phone Policy

Research shows students listening to music, other than instrumentals, take longer to do their schoolwork or decreases academic achievement. Therefore, cell phones will be required to be off and in your student's backpack. Please call the office , should you need to get a hold of your child. (951) 225-7100
