Hello Springs Families!

The learning centers are a place where students can take one or more classes to supplement their learning at home, including core subjects such as math and Science, and opportunities to learn something new and different. We are excited about the new classes offered in 2018/19! All supplies and materials are provided. Please contact your ES of you are not sure how to enroll your students through Bookmart.

Enrollment for the 2018-19 classes will be open on Bookmart the second week of May!

Students are expected to adhere to our school's guidelines, dress code

and internet policy while taking a class at a learning center.
Please see the Parent-Student Handbook, provided by your ES, for more information.

Important Fall Dates:

- All ***K-8 Learning Centers*** will have a "Walk-Through Orientation" during the first week of school – August 27 – 31, 2018. There will not be K-8 classes that first week. Instead, all families will have the opportunity to come to the student center, walk through the classrooms and meet the teachers. Times TBA.
- All K-8 learning center classes will begin the 2nd week of school – Tuesday, September 4, 2018.
- All ***high school*** learning center classes will begin the first week of school – August 27, 2018.
- All families who have signed up for classes will be sent an email in early August with important student center information and enrollment paperwork. Families will be required to bring signed enrollment paperwork, such as our guidelines-agreeing to behavior and dress code, during the week of orientation.
- Students enrolling after August 20th may start attending classes one week after his or her PO to purchase the class has been processed. Contact your ES for more information, as he or she will be able to see this information about your order.
- Students will have one month, from the date they start the learning center, to drop and get a refund. No refunds will be given after that month.
- ESes may request that a student transfer to another available class, one time within the year, without loss of funds.

Please read through the following information before enrolling in Learning Center classes:

- **Students in grades 3-8 will be *required* to bring their school issued Chromebooks if enrolled in the following classes: I CAN Math, Writing with History, Computer Science, Band, Guitar, Leadership, Yearbook, Bizworld, Speakers League, and all high school classes.**
- ***Students enrolled in the classes above (which require Chromebooks brought to class) will be required to take the Milestone tests onsite.***
- ***For the I CAN math classes – students must take the classes on both days/times. Please see the attached I CAN Math Roles & Responsibilities form. I CAN Math teachers will hold an I CAN Math orientation during the first week of school and will have this form for you to sign at that time.***
- All families new to the learning centers are encouraged to visit the learning center of your choice for a tour and additional information about that student center. Visit the student center webpage or call for tour days and times.
- Students enrolling in classes must already be a student enrolled in one of the Springs Charter Schools – having signed a Student Agreement with your ES/Teacher. Students

who sign up for a class prior to completing their enrollment with Springs will be dropped from the class.

- Students may not enroll in more than one class per time slot. Students who sign up for more than one class per time slot may be dropped from the classes.
- Students may only sign up for the grade level class that he or she is enrolled in (other than student TA's). Students who sign up for a class other than his or her own grade level may be dropped from the class.
- Though classes are offered for younger students such as grades K-2, some learning center sites are designed for students who are independent and mature enough to change classrooms throughout the day.

If you have questions about classes or teachers, please feel free to contact Marla Martindale at marla.martindale@springcs.org or (951) 313-0595.

We are looking forward to another exciting year with your students at the Homeschool Learning Centers!
