Goal Setting

Dear MgSC Families:
This week, parents, teachers and students will plan out the child's personalized learning goals. At these meetings, a review of the current assessments and grades will help guide the process. To ensure academic success, please sign up for your meeting with your student's teacher.
Beverly Voechting—Principal

CAASPP Results

If your student was in 3rd-8th/10th or 11th grade last year, then you so have received your child's CAASPP Score report or other state testing results. If you need assistance in reading or understanding the report, click on this link to watch a video: https://www.youtube.com/watch?v=FQi4qlOCrmk

Cell Phone Policy

Research shows students listening to music, other than instrumentals, take longer to do their schoolwork or decreases academic achievement. Therefore, cell phones will be required to be off and in your student's backpack. Please call the office , should you need to get a hold of your child. (951) 225-7200

"By prevailing over all obstacles and distractions, one may unfailingly arrive at his chosen goal or destination."

Christopher Columbus

Enjoy your day off!

2015-2016 Magnolia Student Center Vision

At MgSc, the partnership between teachers, students and parents helps establish an academic foundation that allows our students to engage, make connections, and pursue their educational goals in an authentic, real-world setting. Our students are respectful, believe they can learn, and take initiative in implementing their own learning . Our journey as educators, students, and parents is reflective, always persevering toward being positive, contributing citizens to our community. As a team, we expect the best from every ne, and celebrate each student as they master grade level standards and beyond.
