S.P.R.E.E.

WHAT IS S.P.R.E.E.?

Homeschool S.P.R.E.E. events include fun, make it-take it, educational workshops for our K-8 students. Parents may choose from the following two workshops, "**Teaching Your Kids To Thrive**" that also counts as the Renewal Course #4 for our Parent Certification Program, or our newest work-shop "**Love Language**". These workshops give parents a chance to collaborate and exchange ideas with other Home-school parents, while your K-8 children have an opportunity to socialize with their peers in a fun, educational atmos-phere! Workshops are provided by our fabulous ESes, credentialed staff, and vendors! Each event is a little bit different in what it offers and it lasts about 3 hours in the morning. This year our theme for students is:

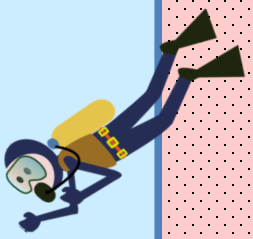

"DREAM BIG, DIVE DEEP"
