S.P.R.E.E.

Student Parent Regional Educational Events

2015-2016

WHAT IS S.P.R.E.E.?

Springs Charter Schools Homeschool S.P.R.E.E. events include fun, make it-take it, educational workshops for K-8 students while parents enjoy a separate informative workshop. This gives parents a chance to collaborate and exchange ideas with other Homeschool parents, while your K-8 children have an opportunity to socialize with their peers in a fun, workshop atmosphere! Workshops are presented by our fabulous Educational Specialists, credentialed staff, and vendors! Each event is a little bit different in what it offers and it lasts about 3 hours in the morning, including a break with yummy snacks! Our parent workshop this year is "The Passion Driven Homeschool". Our workshop theme for students is "Dr. Seuss". No worries, even the older kids will have fun! Childcare will be provided for toddlers age 3 and older, and potty trained.
