This supply list is not a requirement but would really help us get our year off to a good start. Most items will be shared in the classroom. Please do not write your child's name on them unless specified. Please make sure all art supplies (markers, crayons, colored pencils, paint) are marked with the AP non toxic symbol on the back of the box/container. Examples of brands that are non-toxic include Crayola, Prang, and Rose Art. Thank you for your support!
