Who is screened for hearing and vision?

- Referred by the classroom teacher or parent
- It is recommended for grades TK, Kindergarten, 2, 5, 8, and 10 or 11 be assessed for hearing, and pupils in grades TK, Kindergarten, 2, 5, and 8 be assessed for vision.

What is the purpose of the screening program?

- Detect health problems that may affect the student's health and potential for learning
- Notify each parent/guardian of potential problems and establish follow-up procedures for appropriate care
- Enable the school nurse to inform teachers of the recommendations of the health care provider
- Assist in planning the needed adjustments to the educational program
