## HIGH SCHOOL CLASSES

CLASSES MEET TUESDAY **ONLINE** AND THURSDAY **ONSITE** - STUDENTS MUST ATTEND BOTH CLASSES

The Springs High School Personalized Options Program (POP) is comprised of Sprints and OPTs. There are 6 Sprints in one school year. In each Sprint (26 days), students choose interest-driven options (OPTs) to earn their credits in math, English & science. The Learning Center's math classes are 6 OPTs. The English & science classes are each 3 OPTs/3 Sprints, 10 full credits (a year's worth), and students can take them in the fall or in the spring. Below are the 9th & 10th-grade OPTs that are offered at the Learning Centers. The 11th & 12th grade learning center classes can be found on the virtual schedule.
