SPRINGS  
CHARTER SCHOOLS

## NOW OFFERING TK!

### WHY VENTURE ONLINE?

Venture is an online program that caters to the evolving needs of the 21st-century student.

Our credentialed and experienced teachers share the belief that all students can be successful with the necessary tools.

### LIVE SESSIONS

Students receive live instruction from our credentialed teachers (HS hours of instruction per week, per class?) (How can we add the Independent/Online status?)

Participation is required to fully engage in the curriculum through live sessions, small group tutoring, and weekly homeroom meetings.

### COMMUNICATION

Parents are vital to student success and we not only encourage but expect parent participation.

Our teachers and staff are available by multiple means of technology to connect with our students and parents.

### WHAT IS THE COST?

Venture Online is a tuition-FREE, WASC accredited public school program of Springs Charter Schools. There is no cost to attend.

We provide each student with:

- A Chromebook
- Curriculum and Materials
- (HS LC details)
- 2 Field Trips per semester
- (How much does HS get in IF)

### PERSONALIZED LEARNING

Venture Online offers a versatile learning environment. Students are expected to attend weekly live sessions with their teacher but have flexibility in completing weekly coursework.

Each grade level has opportunities for personalization, in their choice of electives as well as demonstration of mastery through projects, videos, etc.
