#### PROGRAM INFORMATION

##### A day of fun for the whole family!

Take a walk on the WILD side as students becomes wildlife detectives during this self-guided visit to the park. Explore and discover amazing animals from all over the world interacting in an environment that is natural to their habitat of the wild. You will learn about efforts being made to conserve local wildlife and their habitats as you gather unique insights about the environment from coast to desert by reading the interpretive materials located around the park.

To enhance your visit please see the educational links below for pre and post fun activities.
