REGISTRATION Opens: August 3, 2015

REGISTRATION Closes: August 25, 2015 by 5:00 p.m.

▶ NO late registrations or refunds will be processed after this date. NO EXCEPTIONS

Special Guidelines: No student/child under 10 years old; must be strong swimmer.

Adults do not need to pay to attend if chaperoning only.

Lessons run simultaneously but at two different local locations (beach & harbor). If multiple students are registered for different programs, then a chaperone is required for each student in order to be able to participate. (strictly enforced).

◆ All Students must be accompanied by a registered adult through PayPal.

◆ **NOTE:** If you have multiple Homeschool students, each Homeschool student must be registered for all Field Trips using their own designated flex fund account. Any duplicate orders for the same field trip on one student's account will not be allowed.

Field Trip Photography Disclaimer: "Please be advised that photographs will be taken at this event for use on the SCS website, marketing materials, and all other SCS publications. If you do not want you or your child to be photographed please advise the Field Trip Coordinator."

PROGRAM INFORMATION

Both programs are approx. 2—2.5 hour in length. Students will start their lesson on the beach to learn about safe surfing / S.U. Paddle Boarding techniques, ocean conditions, rip currents, equipment, and safety do's and don'ts. Instructors will demonstrate how to properly stand on the boards, techniques for getting through the waves, wave judgment, wave timing, and how to catch a wave. Students will then practice on the sand to prepare for the water portion of the program.

Next, students will hit the water where the instructor will help students get the best waves for their level of surfing / S.U. Paddle Boarding ability with guided water instruction. Then it's SURFS UP! Supervised independent practice time. Designed to reinforce the skills learned during the lesson as students practice what they learned on their own for 60 minutes. Instructors will watch students in the water during this time and offer feedback when students are done.
