Program Information

ROCK ON!

Geology

Take your students on a journey exploring the wonderful world of geology. Students will discover through hands-on learning the three classifications of rocks and minerals, how to use the Mohs Hardness Scale, streak plate testing, and the importance of mining.

They will make their own edible toothpaste, and a rock ID card to take home.

California Standards met:

2nd ES 3a-e, IE 4c, g; 4th ES 4a-b, 5a-c
