

BIOTECHNOLOGY PATHWAY

Course 1: CTE Biotechnology 1
Course 2: CTE Biotechnology 2

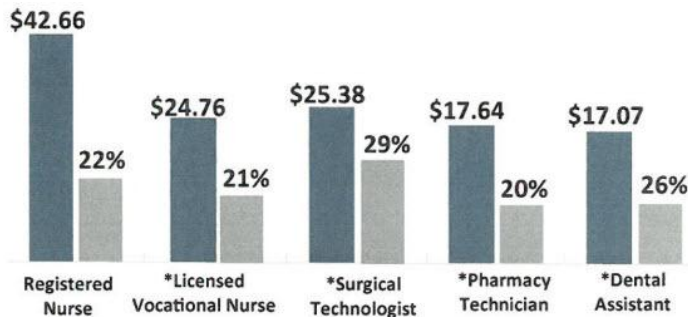

MEDIAN ANNUAL EARNINGS BY EDUCATIONAL ATTAINMENT

\$75,560	**Bachelor's Degree
\$68,978	**Associate's Degree
\$43,506	Industry Certification
\$38,616	Some College, No Degree
\$35,663	High School Diploma

** Industry Certification + Education

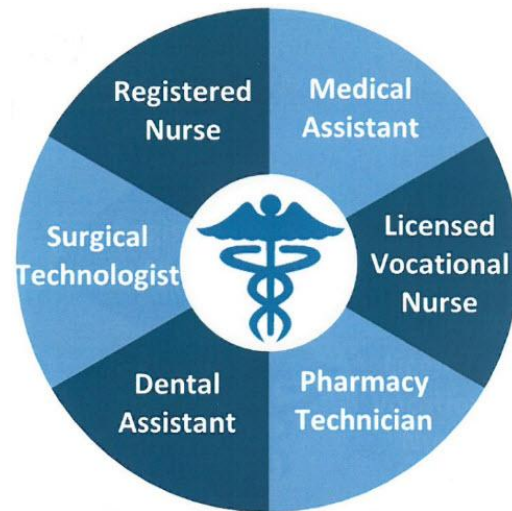

Pathway information: The future of medicine is now. We know more than ever about how the human body works at the cellular and even genetic levels. This pathway prepares students for higher education and entry level careers for which demand is increasing. The biotechnology pathway is recommended for students that are interested in exploring healthcare with a lab coat and a microscope.

***Only industry certification required**
