- LICENSED VOCATIONAL NURSE
- DENTAL ASSISTANT—REGISTERED

MEDIAN ANNUAL EARNINGS
BY EDUCATIONAL ATTAINMENT

Pathway information: The patient care pathway offers students that chance to learn about how the amazing human body keeps us alive despite the elements we encounter daily. After gaining an understanding about how the body works in health, students will explore what can go wrong, how the healthcare industry works to bring the body back to health, and even gain hands on experience with basic procedures.

* This course is A-G & articulated
 ** This course is A-G, Lab Science & articulated

*Only industry certification required Sources: Occupational Projections, Employment Development Department, Economic Modeling, (EANS) November 2017
