WHAT CTE STUDENTS ARE SAYING ABOUT THEIR PATHWAYS!

"I enjoy how heavily self-based the media arts pathway is. The teachers fine-tune the lessons, so that they put our interests first."
Ethan Kezar 18, Temecula - 12th

"This pathway [business] is actually what made me decide on my career. If it wasn't for my CTE classes, I would have chosen a completely different career. The flexibility of my internship, (plus how wonderful the teacher is), helped me have an amazing experience."
Jacqui Mosher 18, Temecula - 12th

"My future career is to be a firefighter paramedic and the medical pathway has helped me learn the medical terminology and prepare me for my future."
