## ADVENTUROUS LEARNING AWAITS STUDENTS & FAMILIES ABOARD THE USS MIDWAY.

Imagine experiencing nearly 50 years of world history aboard the longest-serving Navy aircraft carrier of the 20th century. Memories will be made as you enter a floating city at sea and walk in the footsteps of 225,000 Midway sailors who served our country and upheld the American ideals of strength, freedom and peace.

The self-guided audio tour, narrated by Midway sailors, brings the carrier's history to life as you explore more than 60 exhibits with a collection of 29 restored aircraft.

Especially popular are the museum docents you'll meet throughout the ship. Each is eager to share a personal story, an anecdote, or amazing statistic, adding to your amazement throughout your adventure.

Battle of Midway Theater— During your visit be sure to experience Midway's 90-seat theater, featuring a multimedia movie about the Battle of Midway "Voices of Midway".

You won't want to miss this inspirational experience!
