Designed to introduce elementary and junior high school students to the beauty of classical ballet and music. The Nutcracker presented by Lake Arrowhead Classical Ballet Co. is specially narrated which allows the students to understand and become invested in the storytelling taking place on the stage in the form of dance and pantomime.

Preceding the second act, the curtain is raised to enable the students to see set changes to see what goes on behind the scene during intermission.

There will be a question and answer period in order to encourage the students to express their thoughts and make observations about dance and the classic Christmas Story of The Nutcracker.
