## HIGH SCHOOL \*VIRTUAL CLASSES

**\*All Virtual Learning Center classes come with an additional hour of support from the teacher.**

The Springs High School Personalized Options Program (POP) is comprised of Sprints and OPTs. There are 6 Sprints in one school year. In each Sprint (26 days), students choose interest-driven options (OPTs) to earn their credits in math, English & science. The Learning Center's math classes are 6 OPTs. The English & science classes are each 3 OPTs/3 Sprints, 10 full credits (a year's worth), and students can take them in the fall or in the spring. Below are the 9th & 10th-grade OPTs and 9th - 12th grade classes that are offered at the Learning Centers.
