Program Information

GEMS AND MINERALS ~ NHMLA

“Investigate the fascinating world of Mineral Sciences! Minerals, rocks, gems, ores, and even meteorites provide invaluable information, from how we view the past to technologies of the future.”

Homeschool Days are self-guided explorations of the Museum. However, the NHMLA provides special opportunities in the mornings until 12:00 pm with unique set of programming such as free access to traveling exhibits, drop-in activities and exploring their collections with Museum researchers!
