

Subject: School Uniforms
Effective Date: September 12, 2016
Approved By: Board of Directors
Policy: 5010.1

In some Citrus Springs Charter School programs, students wear a uniform while on-site. Parents are asked to purchase the uniforms, when possible. If a parent cannot afford to purchase the uniform, the school will loan the uniform to the student at no cost. All loaned uniforms must be returned at the end of each school year.

Programs are required to follow appropriate inventory control procedures.
