Subject: School Uniforms
Effective Date: TBD Until Board Approval
Approved By: Board of Directors
Policy: 5010.1

In some of our academy programs Vista Springs Charter School expects that each student wear a uniform while on-site. Parents are asked to purchase the uniforms, when possible. If a parent cannot afford to purchase the uniform then Vista Springs will loan the uniform to the student at no cost. All loaned uniforms must be returned at the end of each school year.

Programs are required to follow appropriate inventory control procedures.
