What is S.P.R.E.E.?

Homeschool S.P.R.E.E. events include fun, make it-take it, educational workshops for our K-8th grade students. Parents may choose from two or more workshops. These workshops give parents a chance to collaborate and exchange ideas with other Homeschool parents, while your K-8th grade children have an opportunity to socialize with their peers in a fun, educational atmosphere!

Workshops are provided by our fabulous ESes, credentialed staff, and vendors! Each event is a little bit different in what it offers. Each event lasts about 3 hours in the morning.

This year our theme for students is:
