

Writing Extravaganza Part 1

Every fall, parents and students ages (K-8th) are invited to participate in an amazing writing event that includes interactive workshops presented by the renowned Imagination Machine, a professional writing company (www.theimaginationmachine.com). Tune in to our "Write Away" Virtual Assembly* on November 6th, at 11am.

"Write Away!" will focus on moving beyond the basics of writing, and turning a first draft into a masterpiece! With the help of the audience, they create a brand new story unique to our school, then add the second step of writing : rewriting! Demonstrating the importance of adding details, finding the perfect story genre, and adding the finishing touches that give the authors their own distinct voice, this assembly proves that a single idea for a story can have many different versions. After you finish your first draft, you can still write away! Let's do this~

The "**Young Author's Writing Contest**" will still go on with students having the opportunity to submit their essays for the judging process.

All Important Information can be found on our website under "Student Events & Academic Opportunities." Click on Writing Extravaganza for a complete list of rules and guidelines.

All Stories Due 12/11/20
