

# THE GREATEST SCHOOL ON EARTH

# SPREE

## STUDENT PARENT REGIONAL EDUCATIONAL EVENTS

**S.P.R.E.E.s are fun, "make it-take it," educational workshops for grades TK-8. Parents enjoy a separate workshop that counts as credit towards Springs' Parent Certification Program. S.P.R.E.E. is not only a time to learn some great new strategies for homeschooling, but also a time for parents to collaborate and share their experiences with other families. SPRINGS parents and students love the opportunity to get together, learn and especially have FUN at our SPREE events!**

**Homeschool students who do not attend a learning center are invited to attend a Learning Center class while parents are attending a SPREE at Otay, Rancho Cucamonga or Cherry Valley.**

<b>OTAY RANCH</b> September 12th	<b>9</b> a.m.
