JOIN TODAY!

CALIFORNIA SCHOLARSHIP FEDERATION

CSF Membership is based on scholarship and is held during the semester following when the qualifying grades were earned and is for one semester only.

A point system specified in the CSF State By-Laws establishes membership requirements and the student must earn sufficient points from CSF pre-approved course lists (list included with application).

In order to become a member, the student must submit an application each semester the student is eligible.

Springs CHARTER SCHOOLS

Membership Information

CSF honors outstanding high school students for their academic excellence and is recognized by colleges and universities throughout the country.

Students may join CSF by simply applying for membership after each semester's grading period of high school.

Please note that students are not automatically inducted into CSF; they must apply for membership each semester.

If a student is a member in CSF for at least four (4) semesters by graduation (only sophomore through junior years with at least one semester from their senior year), they are granted the title of CSF Life Member. They are awarded a gold seal on their diploma, an official CSF life membership pin and a note on their official transcript that indicates they have achieved Gold Sealbearer distinction.

They are also eligible for one of the many scholarships that CSF awards every year.
