DATE:

February 20, 2019

TIME:

10:00am-1:30pm

LOCATION:

SPRINGS Event Center
43174 Business Park Drive; STE 103
Temecula, CA 92590

SCHEDULE:

10am-11am-Project set-up and viewing. All participating students must be with their project at this time.

11am-1:00pm-Project judging (All students and parents leave Event Center and get to enjoy Temecula.)

1:00-1:30pm-Awards ceremony and project pick-up

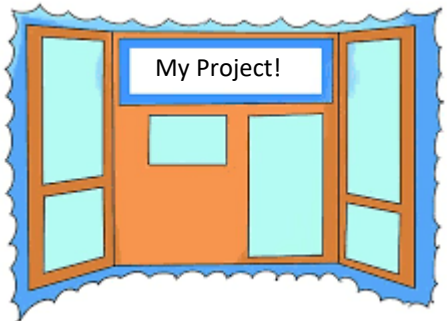

FOOD:

Cookies and water

Additional Information:

Toddlers must remain with parents at all times.

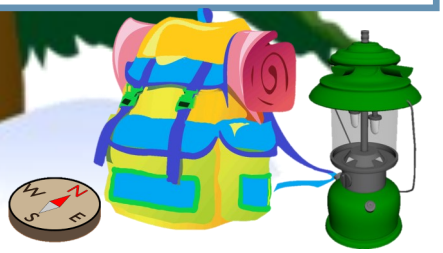

This is an opportunity for our Homeschool students, grades 4-12, to participate in a Science & Engineering Fair competition. Students will be judged in the following grade categories:

-Grades 4-5 / -Grades 6-9 / -Grades 9-12

Homeschool students grades 4-12 must take their completed Science Fair project to the Event Center address. Students will be required to give an oral presentation at this time (6-12 grades only) and will be judged in the appropriate grade categories. Not all categories will be awarded 1st, 2nd, & 3rd Place ribbons, but each student will receive an award of particpation. Winners in each division will be eligible to advance to the Riverside County Science & Engineering Fair.
