

# MATH

# EXTRAVAGANZA

**January 19th**  
**10 a.m. - 11:30**

We invite you and your students to join our educational staff for math fun, games and activities. There will be many opportunities to win some prizes throughout the day!

Our Math Specialist Janel Cozzitarto has masterfully designed a rotation schedule full of fun educational activities that will engage students K-8th to develop a love of mathematics through game play with our Educational Specialists.

Don't delay, register your students today!
