### Questions:

[jennifer.wiersma@springscs.org](mailto:jennifer.wiersma@springscs.org)

Join us for a great afternoon of family math centers provided by our Math Specialist, Rebecca Fabozzi, and our wonderful ES Staff. We will have several tables set up for our K-8 students to interact with their parents while math skills and logic are “secretly” being reinforced! Kids earn a “Math Passport” and then will be able to spin the Big Wheel for a prize. Parents can join toddlers in our “Kiddie Korral”!

This year’s event will also include a STEM activity with Engineering for Kids! Who will be the next Sumo Champion? During this amazing portion of the event, students will learn about the importance of collaboration as they work with a team to customize their Battle Robot in the spirit of friendly competition. Mr. James will call the action sports-announcer style, creating excitement and enthusiasm. Are you ready? Don’t miss this memorable event for the entire family!

- 3:00-4:30 Math Center Activity
- 4:00-4:30 Big Wheel Spin
- 4:30-5:00 Pizza & Guess Jars
- 5:00-6:30 Assembly with Engineering for Kids

27740 JEFFERSON AVE, TEMECULA, CA 92590 | 951.252.8800
