## Program Information

### THE VERY HUNGRY CATERPILLOR

Three beloved stories by Eric Carle, award-winning children's book illustrator and author, are retold on stage through the magic of black light and fanciful puppets.

#### *The Very Hungry*

*Caterpillar* follows the wonderful adventures of a very tiny and very hungry caterpillar as he eats his way through an amazing variety of foods on his path to becoming a beautiful butterfly.

High up in the sky, *Little Cloud* playfully transforms himself into various creatures, including a sheep, an airplane, a shark and more. *The Mixed-Up Chameleon* is bored with his life, until an adventurous trip to the zoo teaches him that there is value in his own unique self.

Performing Arts Study Guide is available in CANVAS.
