Program Information

*Join us aboard the SEA STAR ~
for a day of fun under the sun
during the Sea Life Adventure*

Welcome aboard the SEA STAR!

Come join us on a fascinating learning experience as you venture out into open waters where students of all ages learn an appreciation for marine life.

This is sure to be a fun and exciting day of Discovery!

Southern California Whale Watching at its finest. You will have the opportunity to view blue whales to 80 feet, finback whales, huge pods of dolphin that number in the thousands, seals, killer whales, sharks, and many other marine creatures.

Sea Life Adventure cruises are a great experience for students and their families to learn about these magnificent creatures.

"Knowledge of the ocean is more than a matter of curiosity. Our very survival may hinge upon it."

John F. Kennedy
