## Program Information

*Due to mature subject matter, parental discretion is advised.*

Journey into a fantastical world where traditional fairytales take on fractured new lives and teach important new lessons.

Fairy tales begin “once upon a time” and end “happily ever after.” Not so fast! After all the dreams come true in this Tony Award-winning musical, everybody returns to the woods for a reality check. Cinderella, Little Red Riding Hood, Jack (of beanstalk fame), and Rapunzel get tangled up with a bevy of other fairytale characters and a few new ones created to add to the chaos and discover the unexpected consequences of having wishes come true.

Stephen Sondheim never fails to turn a story into a more powerful journey for audiences of all backgrounds. *Into the Woods* is thought-provoking and thoroughly entertaining. It's a great show to share.
