## Program Information

Student will have the opportunity to rotate between three fun and educational programs..

**LUCY LOU MINE:** An Adventures in the Lucy-Lou Mine takes place in the Mining Camp and includes and emphasis on Gold Rush history. Students climb down into the Lucy-Lou Mine to learn about earthquakes, plate tectonics, rocks, minerals and mining in a fun, hands-on fashion. Be ready to GET DIRTY! Areas of study include: geology, engineering, geography, plate tectonics, earthquakes, archeology, fossils & fossil fuels and minerals.

**WEIRD AND WACKY SCIENTIST:** Experience out-of-this-world wonders at the Astronomy & Science Camp. The Weird and Wacky Scientist program focuses on physical science concepts. Students fire rockets, use atmospheric pressure to implode soda cans and much more!

**A DAY AT THE RANCH:** Mosey over to the Ranch Camp for a Day at the Ranch. This program includes an emphasis on California early settler history. Students explore the citrus grove, seasonal vegetable garden, visit our windmill and solar powered well and learn about soil, compost, plant anatomy, photosynthesis, pollination and the water cycle.

Each 1/2 day Immersion program includes Teambuilding challenge course & 1 Zip Line activity.
