Program Information

skyPark at santa's village

Are you ready for Spring? Join us for a day of fun and learning in the great outdoors at SkyPark at Sant's Village. A themed outdoor adventure park nestled deep in the Lake Arrowhead area of the San Bernardino National Forest.

This program is an exciting way for students to learn about our unique eco-system and the Park's rich history.

Students will enjoy a meandering hike through the meadow led by Conservationists and see first hand how they're protecting the Park; everything from the extensive reforestation efforts to the addition of the Wetland Preserve. There will be educational activities to enjoy in the morning and after the program, plan to spend the afternoon exploring the rest of what the park has to offer.
