DEFINITIONS

Volunteer

A volunteer is defined as an individual 18 years and older performing regularly scheduled services for Springs Charter Schools who do not receive compensation for her/his services. Individuals who volunteer to perform services for the school are not “employees” for purposes of compliance with the minimum wage and overtime provisions of the Fair Labor Standards Act (FLSA). An individual is classified as a volunteer as long as the individual is not regularly employed to perform the same services for the school and receives no more than expenses or

recognition gifts for her/his services. (Education Code 35021) A volunteer is any person serving the needs of the program on a regular basis at least one time per month or more.

HOW TO VOLUNTEER

The Springs volunteer program is supervised and managed by the Director of each educational program in conjunction with the Human Resources (HR) Department. Specific volunteer assignments are arranged for and directly supervised by the program Director or designated staff. (Education Code 35021) Volunteers shall act in accordance with school policies. Springs is under no obligation to accept or place any volunteer. At her/his discretion, the program Director or designated staff supervising volunteers may ask any volunteer who violates school rules or volunteer policies to leave campus.

Individuals who are interested in volunteering with the School are invited to contact the Site Facilitator (SF) specific to the site to where they wish to volunteer. The HR Volunteer Coordinator will be able to answer questions regarding the Springs volunteer program. Contact information is available on the school's website at www.springscharterschools.org
