

Volunteer Process

1. Download the LiveScan and TB Risk Assessment forms

[Volunteer Application](#)

TB Results/Assessments must be dated within 60 days. Example of completed assessment:

[TB Certificate Requirement Guide](#)

2. Complete the Volunteer application via Raptor

[Raptor Volunteer Application](#)

Be sure to upload both completed TB forms. Certificate of completion must include assessment dates and health provider stamp.

3. Applications will be reviewed for completion. For updates on your application status, please contact your Site Facilitator.

Applications are approved for 4 years.
