**What is S.P.R.E.E.?**

Homeschool S.P.R.E.E. events include creative, make-it-take-it, educational workshops for our K-8 students. While the K-8 students have fun learning and socializing with their peers, parents also enjoy their own workshop offered as part of our Parent Certification program. This year parents will “follow the yellow brick road” with the 3 essentials of daily reading, successful introduction of math concepts, and family games to ignite learning. To learn more about these emerald opportunities, search S.P.R.E.E. and “Parent Certification” on our website. Register now for one of these “OZ-some” events!
