PROGRAM INFORMATION

(PLEASE READ IN ITS ENTIRETY)

Winter is coming.....

Looking for a cool way
to bring fitness into your day?

A field trip to ICE-PLEX Escondido is not only fun, it is also educational.

Students and adults alike will enjoy a fun game of BROOMBALL (wearing sneakers) before they lace up the ice skates to participate in a 30 minute group lesson on the ice where they will learn basic ice skating techniques, physics involved, and health benefits.

After the lesson, participants can continue to practice and skate on open ice until 4:00 pm if desired.

Ice skating is one of the best aerobic activities there is; so come join us for a day of learning and fun.
