## **Springs' Newly Opened Del Rio Student Center in Perris Launches Harvest Festival, Welcomes Public to Attend**

*PERRIS, CA, November 6, 2019* – Springs Charter Schools' **Del Rio Student Center**, located at 745 N. Perris Blvd. in Perris, will kick off its **first annual Harvest Festival on Thursday, November 21, 4-5:30 p.m.** The event will celebrate the school's opening and will begin with a ribbon cutting ceremony. It will feature booths set up by each class offering such activities as face painting, candy corn glow ring toss, pumpkin surprise, rock painting, a photo booth and bobbing for donuts. Other activities will include a turkey trot foot race with prizes awarded.

"Del Rio's Harvest Festival will be an annual event which will showcase our students and school and feature entertaining activities for families," said **Shawna Lewis**, principal. Members of the community and families of prospective students are encouraged to attend.

### **OPENED DOORS AUGUST 26**

The Del Rio Student Center first opened its doors to students on August 26; it is part of Springs Charter Schools' ([www.springscs.org](http://www.springscs.org)) family of schools and is a tuition-free, public school of choice. The Center is in the process of building its enrollment, and currently serves 112 students. According to Lewis, the Del Rio Student Center "exists to personalize each individual student's educational experience to create passionate, life-long learners who collectively form a perfect mosaic."

She continued, "Del Rio embraces and promotes the gifts and talents of each student to nurture the social and emotional development of the individual child."

Teachers and parents collaborate to provide personalized learning, rigorous expectations and challenge all students to achieve their personal best, she added.

## SERVES GRADES TK-8

The Center serves all students grades TK-8, with personalized academics tailored to their needs. Each classroom has both a credentialed teacher and an Assistant Classroom Educator (ACE) to cover both intervention and enrichment for all students. Facilities include eight classrooms, an office space, multipurpose room and playground.

Specific programs at the Center include:

**Mosaic Academy TK-8:** Students attend engaging grade-level classes Monday, Wednesday and Friday. Tuesdays and Thursday are parent-supported homestudy days that focus on personalized development of mastery and individual project work. Students will have the option of attending one enrichment day in conjunction with the homeschool learning center.

**Homeschool Learning Center K-8:** Enrichment workshops are offered for our homeschool program students. These fun classes range from core math to arts, drama and project work.

Prospective students and their families are welcome to tour the Center on Tuesdays and Thursdays at 10 a.m.; call the school office to arrange a visit: 951-225-7520.

*Springs Charter Schools are tuition-free, public schools of choice serving more than 9,000 California school children and their parents. Many Springs parents choose to homeschool full-time, while others choose two to five days per week of a blended model that includes classroom instruction with home study. Springs serves students in student centers in the Counties of Riverside, San Bernardino, San Diego, Orange and Los Angeles.
