PROGRAM INFORMATION

(PLEASE READ IN ITS ENTIRETY)

For over sixty years, Mother Nature has transformed the rolling hills of North San Diego County into one of the most spectacular and coordinated displays of natural color and beauty anywhere in the world.

The nearly fifty acres of Giant Tecolote Ranunculus flowers that make up the Flower Fields at Carlsbad Ranch, are in bloom for approximately six to eight weeks each year -literally bringing the famous fields back to life. This annual burst of color, is one of nature's official ways of announcing the arrival of spring here in Southern California.

On this self-guided tour students and families can explore at their own pace the rich history of the Flower Fields.

Program includes:

- Breathtaking Whimsical gardens
- Acclaimed Sweet Pea Maze
- Beautiful display gardens developed by the San Diego Master Gardeners
- Advanced water tolerant gardening ideas and water recycling system
- Hands-on workshops featuring art, basket, and gardening classes in new greenhouses
- Wagon Tour of the fields.

SPECIAL GUIDELINES:

- Space is limited; first serve.
- No use of membership passes.

♦ **NOTE:** Homeschool students must use their own Instructional Fund account to register for field trips. Any duplicate field trip registrations on one student's account will not be allowed and dropped from the report.
