UCI— UROLOGY

High School Outreach Program

What an amazing opportunity for students interested in a career in the Healthcare field to join us at the prestigious UCIrvine Medical Center to take part in their High School Outreach Program.

During this program students will have the opportunity to interact/lecture with world renowned surgeon and medical device innovator. They will then transition to Surgical Education & Research Center where they will participate in...

Hands-On Surgical Skills Training:

- Robotic Skills
- Laparoscopic Skills
- Endoscopic Skills
- Ultrasound
- Open Suturing

After lunch there will be evaluations and closing remarks before leaving the program.
