[I Forgot My Password](#)

From the main Login page, select “Forgot Your Password” at the bottom of the screen.

You will see the following

Account Recovery:

Enter either your username **OR** your Springs email.

Then, you will be presented with a random one of your security questions:

The screenshot shows a light blue interface with the Springs Charter Schools logo at the top. Below the logo is the title "Recovery Challenge" in a large, bold, black font. Underneath the title is the question "What was the last name of your third-grade teacher?" in a smaller black font. Below the question is a white rectangular input field. At the bottom of the interface are two dark blue buttons: "Cancel" with a white circle and slash icon, and "Next" with a white checkmark icon.

And when answered correctly, you will be prompted to change your password
