Join us for the American Mathematics Competitions!

AMC 8: Middle School Competition -
11/10/20 (register by September 30th)

AMC 10/12: High School Competition –
2/04/21 (register by November 30th)

The MAA’s American Mathematics Competitions (MAA AMC) program leads the nation in strengthening the mathematical capabilities of the next generation of problem-solvers! Springs is proud to present this new offering.

The American Mathematics Competitions consist of a series of examinations and curriculum materials that build problem-solving skills and mathematical knowledge in middle and high school students.

Jen Wiersma, our competition manager, must officially register your student in the program. Sign up today under Student Events & Academic Opportunities at springscs.org to receive more information!

AMC History

Tests are online~
A parent or responsible adult will be able to serve as the proctor.

In 1950, the first Mathematical Contest, sponsored by the New York Metropolitan Section of the Mathematics Association of America (MAA), took place. It was given in approximately 200 schools to around 6,000 students in the New York area only. Today, the competition has grown to over 300,000 students participating annually, in over 6,000 schools.
