☐ I, <u>Dr. Kathleen Hermsmeyer</u>, post to the website of the local educational agency (or equivalent) the COVID Safety Plan, which consists of two elements: the **COVID-19 Prevention Program (CPP)**, pursuant to CalOSHA requirements, and this **CDPH COVID-19 Guidance Checklist** and accompanying documents,

submit materials but cannot re-open a school until the county is below 25 cases

which satisfies requirements for the safe reopening of schools per CDPH <u>Guidance on Schools</u>. For those seeking to open while in the Purple Tier, these plans have also been submitted to the local health officer (LHO) and the State School Safety Team.

fron	nfirm that reopening plan(s) address the following, consistent with guidance in the California Department of Public Health and the local health partment:
	☐ <b>Stable group structures (where applicable):</b> How students and staff will be kept in stable groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the stable group.
	Please provide specific information regarding:
	How many students and staff will be in each planned stable, group structure? (If planning more than one type of group, what is the minimum and maximum number of students and staff in the groups?)
	If you have departmentalized classes, how will you organize staff and students in stable groups?
	Student will be assigned to a single group and will access other classes remotely.
	If you have electives, how will you prevent or minimize in-person contact for members of different stable groups?
	☐ Entrance, Egress, and Movement Within the School: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.
	☐ Face Coverings and Other Essential Protective Gear: How CDPH's face covering requirements will be satisfied and enforced for staff and students.
	☐ <b>Health Screenings for Students and Staff:</b> How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.
	☐ <b>Healthy Hygiene Practices:</b> The availability of handwashing stations and hand sanitizer, and how their safe and appropriate use will be promoted and incorporated into routines for staff and students.

1. Some classes are small and in order to maintain a stable group students may need to be positioned closer then 6 feet. All student desks maximize space, are located 6 feet from staff desks, and face forward. Any exceptions will require additional barriers such as partitions and shields with drapes.

☐ <b>Identification and Reporting of Cases:</b> At all times, reporting of confirmed positive and suspected cases in students, staff and employees will be consistent with <u>Reporting Requirements</u> .
☐ <b>Communication Plans:</b> How the superintendent will communicate with students, staff, and parents about cases and exposures at the school, consistent with privacy requirements such as FERPA and HIPAA.
□ Consultation: (For schools not previously open) Please confirm consultation with the following groups □ Labor Organization Name of Organization(s) and Date(s) Consulted: Name: □ Date: □ Parent and Community Organizations Name of Organization(s) and Date(s) Consulted: Name: □ Date: □ Date: □ Parents and staff were consulted on numerous occasions in regards to their level of support for reopening, dates and times preferred, options of either hybrid or In-Person Instruction.
