

Grab & Go Meals

REHEATING INSTRUCTIONS

FROZEN ENTREES:

Most frozen entrees will cook for approx 25-30 mins at 325°F. All individually wrapped entrees are precooked and packed in ovenable film.

FROZEN VEGETABLES:

Most frozen vegetables will cook for approx 20-25 mins at 325°F

It is highly recommended to use a cooking sheet under baking containers when cooking frozen entrees & vegetables.

FOOD SAFETY TIPS:

- Milk, yogurt, string cheese, cream cheese, juices, fruit cups, cut fruit, fresh vegetables, and bread items should be refrigerated.
- Keep your frozen entrees and vegetables sides frozen until ready to use.
- Hot foods should be kept hot. Consume all hot food immediately or discard within 2 hours.
- Reheat hot food items to internal temperature of 165 degrees.
