INTERNATIONAL PRINTING MUSEUM

January

7th

1st Tour: 10:00 am
2nd Tour: 12:30 pm

FRANKLIN GALLERY TOUR

Calling all students -- 3rd grade and older.

Mark your calendar and join us on January 7th at the International Printing Museum. We will begin with a tour through the Printing Museum's extensive collection of working machinery where you will experience the development of the arts and technologies used to transmit ideas, including writing, paper making, printing and bookbinding.

We will visit Franklin's printing shop and watch the marvelous newspaper machines of the Industrial Revolution.

Following your gallery tour, you will step into the Heritage Theatre to meet the Inventive Dr. Franklin. Franklin will introduce you to his many inventions and discoveries, from swim fins to bi-focals, from the first lending library to the Constitution. Franklin demonstrates his static electrical generator, originally used to create a battery, as he aims to ignite young minds with the wonders of science and invention! Due to limited tour space, we will be offering a morning tour and an afternoon tour.

 **California Department of Public Health (CDPH) guidelines as well as COUNTY guidelines must be followed to ensure community safety.**

For students 3rd Grade & Up
\$12.00 Per Registration Through Bookmart
Due to limited space, only one parent per family may register

Tour 1: Check in begins @ 9:30 a.m.
Tour 2: Check in begins at 12:15 p.m.

The International Printing Museum is a dynamic museum devoted to bringing the history of printing and books to life for diverse audiences.

Their mission is to interpret and present the collection for a contemporary audience through demonstrations of working machinery, historic re-enactments, and hands-on workshops.
