

ESSER III Expenditure Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Empire Springs Charter School	Kathleen Hermsmeyer, Superintendent	Kathleen.hermsmeyer@springscs.org 951-252-8800

School districts, county offices of education, or charter schools, collectively known as LEAs, that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use their ESSER III funds. In the plan, an LEA must explain how it intends to use its ESSER III funds to address students’ academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by, the COVID-19 pandemic. An LEA may also use its ESSER III funds in other ways, as detailed in the Fiscal Requirements section of the Instructions. In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP), provided that the input and actions are relevant to the LEA’s Plan to support students.

For more information please see the Instructions.

Other LEA Plans Referenced in this Plan

Plan Title	Where the Plan May Be Accessed
Safety Plan	www.springscs.org
LCAP	www.springscs.org

Summary of Planned ESSER III Expenditures

Below is a summary of the ESSER III funds received by the LEA and how the LEA intends to expend these funds in support of students.

Total ESSER III funds received by the LEA

\$1, 515,134.

Plan Section	Total Planned ESSER III Expenditures
Strategies for Continuous and Safe In-Person Learning	\$ 750,000
Addressing Lost Instructional Time (a minimum of 20 percent of the LEAs ESSER III funds)	\$303, 026
Use of Any Remaining Funds	\$462, 108

Total ESSER III funds included in this plan

\$1, 515,134.

Community Engagement

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community. The following is a description of how the LEA meaningfully consulted with its community members in determining the prevention and mitigation strategies, strategies to address the academic impact of lost instructional time, and any other strategies or activities to be implemented by the LEA. In developing the plan, the LEA has flexibility to include input received from community members during the development of other LEA Plans, such as the LCAP, provided that the input is relevant to the development of the LEA’s ESSER III Expenditure Plan.

For specific requirements, including a list of the community members that an LEA is required to consult with, please see the Community Engagement section of the Instructions.

A description of the efforts made by the LEA to meaningfully consult with its required community members and the opportunities provided by the LEA for public input in the development of the plan.

The LEA consulted with the public through public comment, staff input, board discussions and surveys. The Charter’s Administrators functioned as District Administrators and there are no additional District Administrators. The LEA consulted with students, families including families that speak languages other than English, Special Education Administrators, Principals, Directors, Program leaders. Teachers and individuals or advocates representing the interests of English learners, homeless students, foster youth, and migratory students. The LEA does not currently have any “other educators” in the school community. The LEA does not currently have any local bargaining units active in the school community. The LEA does not currently have any tribes active in the school community. The LEA does not currently serve any children who are incarcerated. The LEA shared information about the ESSER III plan with our School Site Council. Our SPED staff worked with parents to solicit feedback.

A description of how the development of the plan was influenced by community input.

The plan was developed following the above discussions and using the feedback from community members to develop the spending plan. The school conducted a thorough assessment of needs based on the school’s achievement data, overall site needs and issues related to the pandemic as identified. The actions developed from the above consultations included adding academic coaches, increasing tutoring, improving the safety and environment of the facilities, and adding technology as needed.

Actions and Expenditures to Address Student Needs

The following is the LEA’s plan for using its ESSER III funds to meet students’ academic, social, emotional, and mental health needs, as well as how the LEA will address the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic. In developing the plan, the LEA has the flexibility to include actions described in existing plans, including the LCAP and/or Expanded Learning Opportunity (ELO) Grant Plan, to the extent that the action(s) address the requirements of the ESSER III Expenditure Plan.

For specific requirements, please refer to the Actions and Expenditures to Address Student Needs section of the Instructions.

Strategies for Continuous and Safe In-Person Learning

A description of how the LEA will use funds to continuously and safely operate schools for in-person learning in a way that reduces or prevents the spread of the COVID-19 virus.

Total ESSER III funds being used to implement strategies for continuous and safe in-person learning

\$750,000

Plan Alignment (if applicable)	Action Title	Action Description	Planned ESSER III Funded Expenditures
LCAP, Goal 2 Action 1	Maintain all facilities at proficient security	Modify facility as needed through assessment to ensure facility maintains the rigor of safety as noted within the safe return plan and the LCAP. In addition to the LCAP we are also implementing the following actions using ESSER III funds: modifying or updating air filtration system, and updating portables.	\$750,000

Addressing the Impact of Lost Instructional Time

A description of how the LEA will use funds to address the academic impact of lost instructional time.

Total ESSER III funds being used to address the academic impact of lost instructional time

\$303,26

Plan Alignment (if applicable)	Action Title	Action Description	Planned ESSER III Funded Expenditures
LCAP, Goal 1 Action 2, 3	Teaching and learning; adding tutorial and coaching for students	LEA will contract with external agencies to offer individualized tutoring as deemed necessary. LEA has added in additional funds and salaried positions for math and reading coaches, these positions and contracts are in addition to what we are implementing in the LCAP.	\$303,026

Use of Any Remaining Funds

A description of the how the LEA will use any remaining ESSER III funds, as applicable.

Total ESSER III funds being used to implement additional actions

[\$ 462,108

Plan Alignment (if applicable)	Action Title	Action Description	Planned ESSER III Funded Expenditures
LCAP, Goal 1 Action 4	Technology	LEA will work to ensure technology is available and provided on a 1:1 basis to meet the changing needs of students and staff. We are also implementing the following using ESSER III funds: purchasing portable reading devices for students, Wifi hotspots, upgrading telephone systems, securing data servers for online learning and other items as deemed necessary.	\$462,108

Ensuring Interventions are Addressing Student Needs

The LEA is required to ensure its interventions will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students most impacted by the COVID–19 pandemic. The following is the LEA’s plan for ensuring that the actions and expenditures in the plan are addressing the identified academic, social, emotional, and mental health needs of its students, and particularly those students most impacted by the COVID–19 pandemic.

Action Title(s)	How Progress will be Monitored	Frequency of Progress Monitoring
Maintain all facilities at proficient security level and safety	Action will be monitored by site visits to ensure steps taken are in line with the plan	Monitoring will be performed semi-annually in accordance with action taken
Teaching and learning; adding tutoring and coaching for students	Progress will be monitored through internal assessments and regular progress monitoring	Monitoring will be performed monthly and annually specific to the assessment tool
Technology Assessments	Progress will be monitored by assignment of devices throughout the program as well as staff and student surveys	Monitoring will be performed semi-annually

ESSER III Expenditure Plan Instructions

Introduction

School districts, county offices of education (COEs), or charter schools, collectively known as local educational agencies (LEAs), that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan (ARP) Act, referred to as ESSER III funds, are required to develop a plan for how they will use ESSER III funds to, at a minimum, address students' academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic.

The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before October 29, 2021 and must be submitted for review and approval within five days of adoption. A school district must submit its ESSER III Expenditure Plan to its COE for review and approval; a COE must submit its plan to the California Department of Education for review and approval. A charter school must submit its plan to its chartering authority for review and to the COE of the county in which the charter school operates for review and approval.

In addition, consistent with the requirements of the ARP, Volume 86, *Federal Register*, page 21201, April 22, 2021, the ESSER III Expenditure Plan must be:

- Written in an understandable and uniform format;
- Written in a language that parents can understand, to the extent practicable;
 - If it is not practicable to provide written translations to a parent with limited English proficiency, the plan must be orally translated for parents
- Provided in an alternative format to a parent who is an individual with a disability as defined by the Americans with Disabilities Act, upon request; and
- Be made publicly available on the LEA's website.

For additional information regarding ESSER III funding please see the ARP Act Funding web page at <https://www.cde.ca.gov/fg/cr/arpact.asp>.

For technical assistance related to the ESSER III Expenditure Plan template and instructions, please contact LCFF@cde.ca.gov. For all other questions related to ESSER III, please contact EDReliefFunds@cde.ca.gov.

Fiscal Requirements

- The LEA must use at least 20 percent (20%) of its ESSER III apportionment for expenditures related to addressing the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.

- For purposes of this requirement, “evidence-based interventions” include practices or programs that have evidence to show that they are effective at producing results and improving outcomes when implemented. This kind of evidence has generally been produced through formal studies and research. There are four tiers, or levels, of evidence:
 - **Tier 1 – Strong Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented randomized control experimental studies.
 - **Tier 2 – Moderate Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented quasi-experimental studies.
 - **Tier 3 – Promising Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented correlational studies (with statistical controls for selection bias).
 - **Tier 4 – Demonstrates a Rationale:** practices that have a well-defined logic model or theory of action, are supported by research, and have some effort underway by a State Educational Agency, LEA, or outside research organization to determine their effectiveness.
- For additional information please see the Evidence-Based Interventions Under the ESSA web page at <https://www.cde.ca.gov/re/es/evidence.asp>.
- The LEA must use the remaining ESSER III funds consistent with section 2001(e)(2) of the ARP Act, including for:
 - Any activity authorized by the Elementary and Secondary Education Act (ESEA) of 1965;
 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA);
 - Any activity authorized by the Adult Education and Family Literacy Act;
 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006;
 - Coordination of preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19;
 - Activities to address the unique needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, homeless students, and foster youth, including how outreach and service delivery will meet the needs of each population;
 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs;
 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases;
 - Purchasing supplies to sanitize and clean the facilities of an LEA, including buildings operated by such agency;

- Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under IDEA, and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements;
- Purchasing education technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment;
- Providing mental health services and supports, including through the implementation of evidence-based full-service community schools;
- Planning and implementing activities related to summer learning and supplemental after school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of underserved students;
- Addressing learning loss among students, including underserved students, by:
 - Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiated instruction,
 - Implementing evidence-based activities to meet the comprehensive needs of students,
 - Providing information and assistance to parents and families of how they can effectively support students, including in a distance learning environment, and
 - Tracking student attendance and improving student engagement in distance education;

Note: A definition of “underserved students” is provided in the Community Engagement section of the instructions.

- School facility repairs and improvements to enable operation of schools to reduce risks of virus transmission and exposure to environmental health hazards, and to support student health needs;
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door replacement;
- Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff;
- Other activities that are necessary to maintain the operation of and continuity of services in LEAs and continuing to employ existing staff of the LEA.

Other LEA Plans Referenced in this Plan

In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP) and/or the Expanded Learning Opportunities (ELO) Grant Plan, provided that the input and/or actions address the requirements of the ESSER III Expenditure Plan.

An LEA that chooses to utilize community input and/or actions from other planning documents must provide the name of the plan(s) referenced by the LEA and a description of where the plan(s) may be accessed by the public (such as a link to a web page or the street address of where the plan(s) are available) in the table. The LEA may add or delete rows from the table as necessary.

An LEA that chooses not to utilize community input and/or actions from other planning documents may provide a response of “Not Applicable” in the table.

Summary of Expenditures

The Summary of Expenditures table provides an overview of the ESSER III funding received by the LEA and how the LEA plans to use its ESSER III funds to support the strategies and interventions being implemented by the LEA.

Instructions

For the ‘Total ESSER III funds received by the LEA,’ provide the total amount of ESSER III funds received by the LEA.

In the Total Planned ESSER III Expenditures column of the table, provide the amount of ESSER III funds being used to implement the actions identified in the applicable plan sections.

For the ‘Total ESSER III funds included in this plan,’ provide the total amount of ESSER III funds being used to implement actions in the plan.

Community Engagement

Purpose and Requirements

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community, and thus the LEA’s plan must be tailored to the specific needs faced by students and schools. These community members will have significant insight into what prevention and mitigation strategies should be pursued to keep students and staff safe, as well as how the various COVID–19 prevention and mitigation strategies impact teaching, learning, and day-to-day school experiences.

An LEA must engage in meaningful consultation with the following community members, as applicable to the LEA:

- Students;
- Families, including families that speak languages other than English;
- School and district administrators, including special education administrators;

- Teachers, principals, school leaders, other educators, school staff, and local bargaining units, as applicable.

“Meaningful consultation” with the community includes considering the perspectives and insights of each of the required community members in identifying the unique needs of the LEA, especially related to the effects of the COVID-19 pandemic. Comprehensive strategic planning will utilize these perspectives and insights to determine the most effective strategies and interventions to address these needs through the programs and services the LEA implements with its ESSER III funds.

Additionally, an LEA must engage in meaningful consultation with the following groups to the extent that they are present or served in the LEA:

- Tribes;
- Civil rights organizations, including disability rights organizations (e.g. the American Association of People with Disabilities, the American Civil Liberties Union, National Association for the Advancement of Colored People, etc.); and
- Individuals or advocates representing the interests of children with disabilities, English learners, homeless students, foster youth, migratory students, children who are incarcerated, and other underserved students.
 - For purposes of this requirement “underserved students” include:
 - Students who are low-income;
 - Students who are English learners;
 - Students of color;
 - Students who are foster youth;
 - Homeless students;
 - Students with disabilities; and
 - Migratory students.

LEAs are also encouraged to engage with community partners, expanded learning providers, and other community organizations in developing the plan.

Information and resources that support effective community engagement may be found under *Resources* on the following web page of the CDE’s website: <https://www.cde.ca.gov/re/lc>.
