

Subject: Graduation Requirements

Effective Date: June 6, 2019

Revised Date: June 9, 2022

Approved By: Board of Directors

Policy: 5018.1

Graduation Requirements

- English – 4 years (40 units)
- World History – 1 year (10 units)
- US History – 1year (10 units)
- Economics – 1 semester (5 units)
- American Government – 1 semester (5 units)
- *Mathematics – 3 years (30 units)
- Physical/Earth Science – 1 year (10 units with lab)
- Biological/Life Science w Health – 1 year (10 units withlab)
- Physical Education – 2 years (20 units)
- Post-Secondary Connections (60 units) Completion of a combination of Career Technical Education (CTE) Pathway, University of California or California State University a-g subject admissions, and/or college courses with a C- or better in CTE or academic subjects.

* Math requirement includes at least one year of algebra content.

The Visual Performing Art and/or Foreign Language requirements must be met by a full-year course (10 units of the same course).

NOTE: Students will be expected to be continuously enrolled as full time students in the core courses required for graduation until they have met all the requirements listed.

All graduates will be expected to complete the following requirements with the exception of those who are exempt through AB 167/216/365/1806/2306 (Homeless and foster youth, adjudicated youth transitioning from juvenile court school, and students of active duty military).

Arrow Alternate Graduation Requirements

During the junior year transition meeting, if it is determined that the student will not be able to meet the school's typical High School Graduation Requirements by their targeted graduation date due to credit deficiency, the student will be permitted to graduate under Arrow's Alternate Graduation Requirements. The requirements meet CDE's High School Diploma Minimum Requirements and are designed to focus the academic program on completion of remaining core course requirements.

- English - 3 years (30 units)
- World History- 1 year (10 units)
- US History- 1 year (10 units)
- Economics - 1 semester (5 units)
- Government- 1 semester (5 units)
- *Mathematics - 2 years (20 units)
- Physical Science- 1 year (10 units)
- Biological Science- 1 year (10 units)
- Physical Education- 2 years (20 units)
