WHITEWATER PRESERVE **FREE** FIELD TRIP

 **9160 Whitewater Canyon Rd.
Whitewater, CA 92282**

OCTOBER 11, 2022

9:00 A.M.

**Check-In
Begins
8:30am**

THE TRAIL AWAITS!

Explore the canyon as an ecosystem at the edge of the mountains and the desert. We will see organisms that adapt to desert conditions and some that require more water. We will study the changes that affect the canyon and how those changes affect the organisms that live there – from sheep to frogs. This program begins to examine how humans affect the environment and potential hazards humans try to mitigate.
